REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-12 are allowed over the prior art of record. Current invention claims a vibration switch having a deflectable electrical contact body having first and second anchoring ends, which are disposed to anchor on both first and second sidewalls. Accordingly, anchoring on the two sidewalls of the housing prevents undesired switch contact. Such claimed structure, in combination with claimed limitations of claim 1, are neither disclosed nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Please refer to attached PTO-892.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard K. Lee whose telephone number is (571) 272-1994. The examiner can normally be reached on Mon. to Fri. 6:00AM to 2:30PM.
